COMMISSION ON HIGHER EDUCATION
CHAPTER 62
Statutory Authority: 1976 Code Section 59-142-20

62-450 - 62-505. South Carolina Need-based Grants Program.

Synopsis:

The South Carolina Commission on Higher Education proposes the following revisions to Chapter 62 regulation, R.62-450 through 62-505, South Carolina Need-based Grants Program. The proposed regulation increases the maximum funding amount that full-time students may receive in a South Carolina Need-based Grant by \$1,000 and by \$500 for part-time students. In addition, the proposed regulation provides the institutions the ability to award and disburse SC Need-based Grant for up to three terms a year, rather than two, within the maximum annual funding amount to eligible students. The regulation also allows students to receive up to a maximum award amount over the course of their studies, rather than limiting award eligibility to a number of semesters.

A Notice of Drafting was published in the *State Register* on April 23, 2021.

Instructions:

Replace R.62-450 through 62-505 in its entirety.

Pursuant to Act 458, South Carolina Children First: Resources for Scholarships and Tuition Act of 1996, of the 1995-1996 Appropriations Bill, the Commission on Higher Education shall promulgate regulation and establish procedures to administer the South Carolina Need-based Grants Program. The purpose of the South Carolina Need-based Grants Program is to provide additional financial aid assistance to South Carolina's neediest students. The program will assist students who wish to attend public or independent colleges or universities in the State.

62-455. Allocation of Need-based Grant Funds to Public and Independent Institutions.

A. Funds made available for higher education grants and scholarships under Chapter 143 of Title 59 of the 1976 Code, as amended under Act 458, South Carolina Children First: Resources for Scholarship and Tuition Act of 1996, shall be included in the annual appropriation to the Commission on Higher Education. Fifty percent of the appropriation shall be designated for the Palmetto Fellows Scholarship Program and the remaining fifty percent shall be for the Need-based Grants Program. However, in instances where the equal division of the appropriated funds between the Palmetto Fellows Scholarship and Need-based Grants Programs exceeds the capacity to make awards in either program, the Commission on Higher Education has the authority to re-allocate the remaining funds between the two programs. The Commission on Higher Education shall allocate to public or independent institutions on behalf of eligible State Need-based Grant students as follows:

1. Annual allocations of funds to the public institutions will be determined by the Commission on Higher Education using a methodology consistent with Section 59-142-40, South Carolina Code of Laws, 1976, as amended.

2. Annual allocations of funds to the independent institutions will be determined by the Commission on Higher Education using a methodology consistent with Section 59-142-40, South Carolina Code of Laws, 1976, as amended. The funds allocated for Need-based Grants shall be included in the annual appropriation to the Commission on Higher Education and transferred annually into the budget of the South Carolina Tuition Grants Commission, which will distribute these funds as Tuition Grants.

B. Independent and public institutions of higher learning in this, or any other state in the U.S., outside the U.S. or abroad are prohibited from using the SC Need-based Grant in programs that promote financial aid incentives or packages. Any mention of the SC Need-based Grant in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the SC Need-based Grant as a separate financial aid award, provided to the student by the State of South Carolina.

62-465. Student Eligibility.

A. To be eligible for a Need-based Grant each academic year, the student must:

1. Be a "needy student" following the financial need analysis as established under Title IV Regulations for determining eligibility for Federal Student Aid. The student must file the Free Application for Federal Student Aid (FAFSA) Form;

2. Be a U.S. citizen or a lawful permanent resident that meets the definition of an eligible non-citizen under State Residency Statutes whose lawful presence in the US has been verified at the time of enrollment at the institution;

3. Be a resident of the state of South Carolina for twelve consecutive months as defined in Chapter 112 of Title 59 of the 1976 Code of Laws governing the determination of residency for tuition and fee purposes;

4. Be enrolled or accepted for enrollment as a part-time or full-time degree-seeking student in an eligible program of study at an eligible public institution in South Carolina. A student enrolled in less than six credit hours during one semester may not receive a Need-based Grant for the semester in question but is eligible for reapplication for a grant upon return to part-time or full-time status;

5. Be enrolled and attending or have completed at the time of the grant disbursement in a minimum of six credit hours if part-time for the semester or twelve credit hours if full-time for the semester;

submitting a signed affidavit each academic year to the institution. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or nolo contendere of a second or subsequent alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication, conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Need-based Grant the remainder of the academic year. However, the student will be ineligible for the Need-based Grant the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect grant eligibility; and

7. Verify that he/she does not owe a refund or repayment on a State Grant, a Pell Grant, or a Supplemental Educational Opportunity Grant and is not in default on a loan under the Federal Perkins Loan or Federal Stafford Loan Programs; and

8. Must reapply for the Need-based Grant each academic year and meet all eligibility requirements annually.

9. Students who have previously earned credit hours and are applying for the South Carolina Need-based Grant for the first time must have earned at least a cumulative 2.0 grade point average on a 4.0 scale for graduation purposes at the end of the academic year before being awarded the Grant.

B. Students who meet satisfactory academic progress (see 62-475. Students may only receive Need-based Grant funding for up to three semesters of the academic year. Students who have already been awarded their first baccalaureate degree are not eligible to receive a Need-based Grant.

C. Students enrolled in an eligible program of study as stated in the "Program Definitions" Section may include remedial courses as part of the minimum number of required credit hours for part-time or full-time status, as long as such courses carry credit hours and meet Title IV limitations on remedial coursework.

D. Any false information provided by the student or any attempt to obtain or expend any Need-based Grant for unlawful purposes or any purpose other than in payment or reimbursement for the cost-of-attendance at the institution authorized to award the grant will be cause for immediate cancellation of the Need-based Grant. Any student who has obtained a Need-based Grant through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Need-based Grant.

62-470. Policies and Procedures for Awarding Need-based Grants.

A. The Need-based Grants Program for the public institutions will be campus-administered. Grant funds will supplement the student financial aid awards administered by the participating public colleges and universities.

B. The participating institution will make awards in amounts to be defined in accordance with the Need-based Grants Program regulation and criteria, but not to exceed \$1,750 per eligible part-time student and \$3,500 per eligible full-time student per academic year, based on the institution's allocated funds for Need-based Grants and other financial aid awarded to individual applicants. However, the Commission, due to inflation increases or other relevant factors, may periodically adjust the maximum award for the

Need-based Grants Program. An eligible student may receive a Need-based Grant for up to three terms of the academic year, not to exceed 100 percent of the annual award amount, assuming continued eligibility. No more than fifty percent of the annual award amount shall be disbursed in any given term.

C. Need-based Grants are to be used only towards payment for the cost-of-attendance as defined by Title IV Regulations as modified by D below for the academic year for which the award is made at the designated institution. The maximum amount awarded shall not exceed the cost-of-attendance as defined in Title IV Regulations for any year.

D. Charges for room and board are to be limited as follows:

1. Room charges shall not exceed the average cost of on-campus residential housing; and
2. Board charges shall not exceed the cost of the least expensive on-campus meal plan, which includes 21 meals per week.

E. In determining the amount awarded for the Need-based Grant, all other sources of gift aid, including Federal, State, private and institutional funds, must be applied to the total cost-of-attendance before calculating the unmet need and awarding the grant. The Need-based Grant shall be awarded only after all other sources of gift aid have been exhausted. Adjustments to the financial aid package will be made to the Need-based Grant in accordance with prescribed Title IV Regulations in order to prevent an over-award.

F. Institutions must give first priority and award the maximum allowable Need-based Grant (\$3,500 if full-time or \$1,750 if part-time) to students who are in the custody of the South Carolina Department of Social Services (DSS). However, institutions should not award the maximum amount if, by doing so, this causes the student to exceed the unmet need according to Title IV Regulations. Students who may be eligible under this provision are responsible for contacting the institution and providing official verification to the institution that he/she is in custody of DSS. Acceptable verification shall include a letter from DSS.

G. Participating institutions will notify students of their Need-based Grant along with the terms and conditions of the award.

H. The student shall be required to provide a nationally recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

I. Annual allocations of funds to the public institutions will be determined by the Commission on Higher Education using a methodology consistent with Section 59-142-40, South Carolina Code of Laws, 1976, as amended. Unused funds, which cannot be awarded by an institution, must be returned to the Commission on Higher Education, which may redirect the funds to institutions where unmet need exists.

J. Effective Fall 2008, Section 59-101-430 (A), Chapter 101, Title 59 of the 1976 Code states that unlawful aliens are prohibited from attending SC Public institutions of higher learning. This does apply to students who are currently enrolled, as well as new enrollees. In accordance of this law, institutions must institute a process that verifies an individual's lawful presence in the United States. Students receiving the SC Need-based Grant must be verified. Any student who is not verified and documented by the institution will not receive the Grant.

K. All eligible independent and public institutions that participate in the program must verify the lawful presence of any student who receives a SC Need-based Grant prior to awarding the Grant to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to

independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

L. The institution must retain annual paper or electronic documentation for each award to include at a minimum:

1. Need analysis
2. Affidavit documenting that the student has never been convicted of any felonies or any second or subsequent alcohol or drug related misdemeanor offenses as stated under "Student Eligibility" and "Duration of Award and Continued Eligibility" Sections
3. Award notification
4. Institutional disbursement to student
5. Refund or repayment (if appropriate)
6. Satisfactory academic progress
7. Student's residency status
8. Enrollment and curriculum requirements
9. Student's disability (if appropriate)
10. Student is in custody of DSS (if appropriate)
11. Student award based upon approval of institutional appeal (if appropriate)
12. Verification from the institution that lawful presence in the US has been verified.

M. It is the institution's responsibility to ensure that only eligible students receive a Need-based Grant.

62-475. Duration of Award and Continued Eligibility.

A. Need-based Grants shall be awarded for up to three terms each academic year. The institution shall adjust the amount of the grant award during the academic year in the event of a change in the student's eligibility.

B. Award decisions will be made annually and are not automatically guaranteed. Students who have already been awarded their first baccalaureate degree are not eligible to receive a Need-based Grant.

C. Students must reapply each academic year for a Need-based Grant in accord with these guidelines and other pertinent statutes and regulations and with application timeliness and procedures stipulated by the participating institution. Students applying for a Need-based Grant must complete a FAFSA Form and be a needy student. The student must also complete any supplemental forms that may be required by the institution.

D. The institution shall be responsible for securing institutional certification of each recipient's cumulative grade point average, credit hours attempted and earned, and satisfactory academic progress for purposes of determining eligibility for award renewal.

E. For continued eligibility, the student is required to:

1. For graduation purposes, earn at least 24 credit hours each regular academic year if awarded a Need-based Grant as a full-time student or earn at least twelve credit hours if awarded a Need-based Grant as a part-time student. If a student is awarded a Need-based Grant for one semester of the academic year as a part-time student and the other semester as a full-time student, the student must earn at least eighteen credit hours each regular academic year. If a full-time student is awarded a Need-based Grant for only one semester of the academic year, the student must earn at least twelve credit hours by the end of the academic year. A part-time student who is awarded a Need-based Grant for only one semester must earn at least six credit hours by the end of the academic year. Credits earned during any additional semesters (i.e., interim, winterim or other non-regular semester) cannot be used to replace or reduce the minimum credit hour requirement for the regular academic year; and

2. Earn at least a cumulative 2.0 grade point average on a 4.0 scale for graduation purposes by the end of each regular academic year.

F. Students wishing to appeal any grant award decision must submit a written request to the institution's Director of Financial Aid. This request will be handled in accordance with the institution's financial aid appeal procedures. The institution's decision on appeals shall be final.

62-480. Students with Disabilities.

A. Students who qualify under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 must meet all eligibility requirements as defined in "Student Eligibility" Section except for a student who is approved by the Disability Services Provider to be enrolled in less than part-time status is eligible to receive grant funding. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

B. For renewal, students who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 must meet all renewal requirements as defined in "Duration of Award and Continued Eligibility" Section except for a student not meeting the annual credit hour requirement who is approved by the Disability Services Provider to be enrolled in less than part-time status for that academic year. Students must earn the required number of hours approved by the institutional Disability Services Provider each academic year for grant renewal and earn a minimum 2.0 cumulative grade point average on a 4.0 scale by the end of the academic year. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

C. The institutional Disability Services Provider must provide written documentation to the Office of Financial Aid each academic year verifying that the student is approved to be enrolled in less than part-time status.

D. Students who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 are eligible to receive up to the maximum number of available semesters and available funds.

62-485. Enrollment in Internships, Cooperative Work Programs, Travel Study Programs, or National or International Student Exchange Programs.

A. Students enrolled in an internship, cooperative work program, travel study program, or National or International Student Exchange Program approved by the student's home institution, and enrolled in fewer than six credit hours, shall not be eligible to receive a Need-based Grant during the period in which the student is enrolled in such programs or courses. Students enrolled in such programs may receive a Need-based Grant for up to two terms of the academic year if determined to be eligible.

B. Students enrolled in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as at least part-time transfer credit (minimum of six credit hours) are eligible to receive Need-based Grant funds during the period in which the student is enrolled in such programs. Students will be required to meet the continued eligibility requirements.

C. Eligible students may use the appropriated portion of the Need-based Grant funds for internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as at least part-time transfer credit (minimum of six credit hours). Need-based Grant funds must be paid directly to the student's account at the home institution. The amount awarded cannot exceed the cost-of-attendance at the home institution or the cost-of-attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer grant funds to the institutions where students will participate in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs. The institution is responsible for grant funds according to the "Program Administration and Audits" Section.

D. The home institution will be responsible for securing official certification of the student's cumulative grade point average, credit hours earned, and satisfactory academic progress for the purposes of determining eligibility for grant renewal for the next academic year.

62-490. Institutional Disbursement of Need-based Grants.

A. The participating institution will identify award amounts, which cannot exceed \$1,750 per eligible part-time student and \$3,500 per eligible full-time student per academic year. A maximum of fifty percent of the annual award amount may be disbursed in a given term of the academic year, not to exceed 100 percent over the course of three terms of the academic year. Students who meet satisfactory academic progress (see 62-475. D.) may not receive Need-based Grant funding totaling more than \$14,000 if the students are seeking their first baccalaureate degree or a program of study that is structured so as not to require a baccalaureate degree and leads to a graduate degree, \$7,000 if the students are seeking their first associate's degree, or \$3,500 if the students are seeking their first one-year certificate or diploma. Students who have obtained an associate's degree initially are eligible to apply for a Need-based Grant upon enrollment in their first baccalaureate degree or a program of study that is structured so as not to require a baccalaureate degree. Students who have obtained a recognized educational credential in a one-year program initially are eligible for application for a Need-based Grant upon enrollment in their first associate's degree, first baccalaureate degree, or a program of study that is structured so as not to require a baccalaureate degree and leads to a graduate degree.

B. A Need-based Grant may not be applied to a second baccalaureate degree or to graduate coursework, unless the graduate coursework is required as part of a program of study that is structured so as not to require a baccalaureate degree as defined in the "Program Definitions" Section.

C. The institution shall provide an award notification each academic year to Need-based Grant recipients, which will contain the terms and conditions of the grant and other financial aid awarded. Students will be notified of adjustments in financial aid due to changes in eligibility and/or over-award issues. The

Commission on Higher Education, for documentation purposes, requires that each institution obtain verification of acceptance of the Need-based Grant and terms for the award.

D. After the last day to register for each semester of the academic year, the institution will verify enrollment of each recipient as a South Carolina resident that is a part-time or full-time degree-seeking student. According to the Scholarship and Grant Programs Policies and Procedures Manual, a listing of eligible recipients by social security number with the award amounts for the semester will be sent to the Commission on Higher Education with the institution's request for funds. A year-end reconciliation report will be submitted to the Commission on Higher Education prior to June 30th. Any unused funds shall be refunded to the Commission on Higher Education no later than June 30th of each fiscal year.

E. The student shall be required to provide a nationally recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

62-495. Refunds and Repayments.

A. In the event a student who has been awarded a Need-based Grant withdraws, is suspended from the institution, or drops below part-time (six credit hours) or full-time (twelve credit hours) status during any regular semester of the academic year, institutions must reimburse the Need-based Grants Program for the amount of the grant for the semester in question pursuant to refund policies of the institution. Collection is the responsibility of the institution.

B. The institution may redistribute such funds to other eligible students in accordance with the guidelines, or if such funds cannot be redistributed within the academic year, the institution shall return the refund amount to the Commission on Higher Education for redistribution to other institutions.

C. In the event a student withdraws or drops below part-time or full-time status after the institution's refund period and therefore must pay tuition and fees for part-time or full-time enrollment, the award may be retained by the student pursuant to the refund policies of the institution.

D. In the event a student who has been awarded the SC Need-based Grant has been identified as not being a SC resident at any time, the institution must reimburse funds to CHE for the time period the student was no longer a SC resident.

62-500. Program Administration and Audits.

A. The South Carolina Commission on Higher Education will coordinate the oversight of functions (e.g., guidelines, policies, rules, regulations) relative to this program with eligible institutions. The Commission on Higher Education shall be responsible for the allocation of funds, promulgation of the regulation and rules, any audits, or other statewide oversight of the Need-based Grants Program as deemed necessary to monitor the expenditure of grant funds.

B. According to the Audit Policies and Procedures for Scholarship and Grant Programs Manual, all eligible institutions that participate in the program must abide by program policies, rules or regulations. Institutions also agree to maintain and provide all pertinent information, records, reports, or any information as may be required or requested by the Commission on Higher Education or the General Assembly to ensure proper administration of the program.

C. Participating institutions are authorized to establish additional guidelines, rules, and regulations for awarding the grants consistent with the South Carolina Need-based Grants Program Regulation contained herein.

D. The Chief Executive Officer at each participating institution shall identify to the Commission on Higher Education a Need-based Grant institutional representative who is responsible for the operation of the program on the campus and will serve as the contact person for the program. The institutional representative will act as the student fiscal agent to receive and deliver funds for use under the program.

E. The institutions shall institute a process by which a SC Need-based Grant recipient's lawful presence in the United States is verified. The institution shall verify SC residency status and lawful presence in the United States upon college enrollment. If an institution has determined at any time that a recipient no longer meets SC residency requirements, the scholarship will be forfeited and funds are to be returned to CHE.

F. The participating institution shall identify to the Commission on Higher Education an institutional representative who will act as the point of contact for all inquiries pertaining to residency and legal presence classification for the purposes of awarding the SC Need-based Grant.

G. Independent and public institutions of higher learning in this, or any other state in the U.S., are prohibited from using the SC Need-based Grant in programs that promote financial aid incentives or packages. Any mention of the SC Need-based Grant in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the SC Need-based Grant as a separate financial aid award, provided to the student by the State of South Carolina.

62-505. Suspension or Termination of Institutional Participation.

A. The Commission may review institutional administrative practices to determine institutional compliance with pertinent statutes, guidelines, rules or regulations. If such a review determines that an institution has failed to comply with program statutes, guidelines, rules or regulations, the Commission may suspend, terminate, or place certain conditions upon the institution's continued participation in the program and require reimbursement to the State Need-based Grants Program for any funds lost or improperly awarded.

B. Upon receipt of evidence that an institution has failed to comply, the Commission on Higher Education shall notify the institution in writing of the nature of such allegations and conduct an audit.

C. If an audit indicates that a violation or violations may have occurred or are occurring at any public or independent college or university, the Commission on Higher Education shall secure immediate reimbursement from the institution in the event that any funds were expended out of compliance with the provisions of the Act, any relevant statutes, guidelines, rules, and regulations.

Fiscal Impact Statement:

There will be no cost incurred by the State or any of its political subdivisions.

Statement of Rationale:

The proposed regulation increases the maximum funding amount that full-time students may receive in a South Carolina Need-based Grant by \$1,000 and by \$500 for part-time students. In addition, the proposed regulation provides the institutions the ability to award and disburse SC Need-based Grant for up to three

terms a year, rather than two, within the maximum annual funding amount to eligible students. The regulation also allows students to receive up to a maximum award amount over the course of their studies, rather than limiting award eligibility to a number of semesters. Lastly, other changes to the regulation include updating definitions, ensuring consistency with statute, and minor language changes to promote consistency.
