FEE DESCRIPTION	NOTES	FULL-TIME (1)		PART-TIME (1)	
		CURRENT YEAR 2013-14	PROPOSED 2014-15	CURRENT YEAR 2013-14	PROPOSED 2014-15
<b>NOTES</b>					
1) Full-time fees per semester, unless otherwise noted [see note (9) below for exceptions]. Part-time fees stated per credit hour. Part-time is defined as fewer than 12 hours. Part-time fees apply to summer sessions unless otherwise noted. Most fees listed in the Full-Time columns are applicable to all students. Unless otherwise noted, all tuition and fees reviewed and approved by the USC Board of Trustees in June 2014 become effective in Fall 2014.					
2) USC Columbia - Chapter 33 veterans entitled to the maximum benefit rate (based on service requirements) who apply for the Yellow Ribbon Program at USC and are deemed eligible may receive a tuition abatement as follows for Non-Resident students: Undergraduate students - 50% of tuition and fee charges in excess of the VA maximum amounts for SC not to exceed \$5,700 annually; Graduate/Professional students - 50% of tuition and fee charges in excess of the VA maximum amounts for SC not to exceed \$3,400 annually. The number of eligible students is limited based upon the terms of the annual Yellow Ribbon Program Agreement. Qualified resident students are fully covered by the VA at the actual resident tuition rates.					
3) Free tuition per state law for: children of certain deceased and other veterans, firefighters and law enforcement officers, essay winner for Governor's Committee on the Employment of the Physically Handicapped, and resident 60 years or older on space available basis.					
4) Only Columbia campus students named as McNair, Horseshoe, Cooper, McKissick, Flinn, Lieber, and Alumni Scholars.					
5) Non-Resident Athletics scholarship implies athletic grant-in-aid at the USC Columbia Campus. This rate may not apply to all scholarship student-athletes, based upon designation by the Athletics Department. The Office of Student Financial Aid and Scholarships awards grants-in-aid in accordance with NCAA, conference and institutional guidelines.					
6) Sims Scholarship - Only Columbia campus students named as Sims Scholars.					
7) Active Duty Military - This rate is tied to the regional campus tuition rate and is applied across USC Campuses. Rate has been in effect at this level for active duty military since at least the mid 1990's. Non-Resident Active Duty Military pay the resident rate for distance courses. Applies to Undergraduates only.					
8) Full-time undergraduate students on Columbia, Aiken, Beaufort and Upstate campuses and all full-time graduate students will pay an additional charge for each credit hour above sixteen hours. Nonrefundable after the 100% refund period.					
9) Graduate rates listed under USC Columbia apply to all campuses. Fees for senior and regional campuses are for undergraduate students only.					
10) USC Columbia - Undergraduate application fee waived only for South Carolina residents who present a College Board fee waiver or a National Association for College Admissions Counselors waiver. Of the total application fee \$7.50 is allocated to the Student Health Center. A portion of USC Columbia undergraduate application fee is allocated to undergraduate Admissions. Graduate application fees are retained by the General Fund except for the \$50 Moore School of Business additional application fee.					
11) The Gamecock Gateway program is a partnership between the University of South Carolina Columbia (USC) and Midlands Technical College (MTC) to provide an academic and residential link between the two institutions. The Gamecock Gateway program is offered by invitation only and offers a residential experience on or near the USC campus. Students will pursue transfer compliant course work at MTC, while benefitting from a variety of support programs and student services offered by each institution. Upon successful completion of the one year academic program in Gamecock Gateway, students will be eligible to fully matriculate at USC. The deposit is non-refundable.					
12) The matriculation fee is paid only once by undergraduate degree-seeking students during their entering semester through the campus where they initially enroll. The fee will be charged again if a student enrolls in a masters or doctoral program of study. For the USC Columbia campus, a portion of the fee is allocated to Arts & Sciences for new student placement testing.					
13) Capstone scholar fee is payable in student's first and second year of the program.					
14) The optional athletic event fee includes the per semester athletics activity charge and the athletics bond charge. A minimum of six credit hours are required for the student to elect this fee. Students participating in university-approved internships, practicums, or co-ops as part of their academic program of study are eligible to pay the optional athletic fee during the semester of participation.					
15) Insurance charge as required for graduate students, international students, and any other students who opt into third-party program.					
16) Mandatory Study Abroad Insurance was implemented in Spring 2011 with an off-cycle BOT approval. Fee is based on a \$360 academic year rate that is prorated for length of time the student spends abroad.
